Achievements of Family Planning Programme

649. SHRI SARADA MOHANTY: Will the PRIME MINISTER be pleased to state:

(a) whether Government have made any mid-term review on the achievements made in the Family Planning Programme during the Eighth Five Year Plan;

(b) if so, the performance of different States and the Union Territories in the matter;

(c) the steps taken to achieve better result in Family Planning during the remaining period of Eighth Five Year Plan; and

(d) the details thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI PABAN SINGH GHATOWAR): (a) and (b) The Eighth Plan envisages to achieve Birth Rate 26 (per 1000 population) and Infant Mortality Rate 70 (per 1000 live births) by the end year of Plan (1997). The latest State-wise SRS estimates of Birth Rate and Infant Mortality Rate for the year 1993 are given at Statement enclosed (*See* below).

(c) and (d) An Action Plan is being implemented to achieve better results in Family Welfare Programme. Its key features include improving the quality and outreach of services, promotion of spacing methods among younger age coopies, special focus on 90 lagging districts to improve their demographic parameters and involving voluntary and non-governmental organisations to promote community participation as well as strengthening of interventions to promote material and child health care.

Statement
